

REV3 ENERGY SURGE™ PACK

REV3 ENERGY SURGE™ PACK is currently for sale and distribution in New Zealand only.

REV3 ENERGY SURGE™ PACK

- A dietary supplement to help temporarily increase energy
- Hydrating alternative to crash-and-burn energy drink
- Low calories (10 calories per serving)
- Low sugar (2 g per serving)

REV3 ENERGY SURGE™ PACK is all the power of an energy drink - refined. With an advanced formula developed by USANA's nutritional experts, **REV3 ENERGY** is a superior healthy alternative to energy drinks.

For decades, the energy drinks available to you were laden with artificial flavours, sweeteners and chemicals. USANA, as the leader in nutritional innovation, has responded by developing a healthy energy drink alternative.

REV3, JOIN THE REVOLUTION

With a unique and proven combination of entirely natural ingredients, the **REV3 ENERGY SURGE PACK** transforms any common beverage into a heart-thumping power plant of antioxidants, energy, and flavour. Mix well, drink well! We know that you'll feel a consistent and long-lasting energy boost, without the exhaustion and crash that inevitably follows from high sugar energy drinks.

REV3 ENERGY SURGE™

CLEANER

- Crisp, all-natural taste
- Refreshing lemon-tea flavour

SMARTER

- Provides smarter, more natural sources of caffeine from white, green, and black teas to support mental alertness and stamina
- Teas also provide important antioxidants and phytonutrients known to be beneficial to health and cellular metabolism

STRONGER

- Contains green tea, Korean ginseng, and rhodiola rosea to help the body's response to stress and fatigue
- Provides nutrients necessary for maintaining healthy and efficient energy levels

WHY USANA REV3 ENERGY SURGE™ PACK?

REV3 ENERGY SURGE PACK is a great alternative to crash-and-burn energy drinks. A simple and convenient way to maintain your hydration. Just put the packs in your bag and you're ready to rock.

Don't settle for average energy. **JOIN THE REVOLUTION TODAY!**
