ITEM# 139

Cleaner. Smarter. Stronger. Rev3 Energy Surge™ Pack is all the power of an energy drink—refined. With an advanced formula developed by USANA's nutrition experts, Rev3 Energy is a superior alternative to crash-and-burn energy drinks.

to the bitter or overly sweet flavours of many other energy drinks.

#### WHAT MAKES IT WORK?

Rev3 Energy Surge Pack contains a natural source of caffeine derived from the leaves of three different types of teas. This caffeine helps to provide a feeling of increased energy and mental alertness. With 80 mg of naturally derived caffeine, Rev3 contains about as much caffeine as an average cup of coffee, but without many of the potentially harmful ingredients, such as large amounts of sugar, excessive calories, or artificial preservatives.

#### THE ENERGY COMPLEX

Rev3 Energy Surge Pack was developed with a complete energy complex that includes malic acid and citric acid. These nutrients are necessary for normal functioning of the Krebs energy cycle (citric acid cycle) and electron transport systems. It also contains Korean Ginseng and rhodiola.

#### WHY REV3 ENERGY SURGE PACK?

Rev3 has a crisp, all-natural taste from natural ingredients. Rev3 has no artificial flavours, no artificial sweeteners, no artificial preservatives, and no artificial colours. It contains naturally derived caffeine from a blend of teas for improved mental alertness and stamina. Teas also provide numerous beneficial ingredients, including antioxidants and phytonutrients known to be beneficial to health and metabolism. The teas also give Rev3 its unique and refreshing taste, a contrast
